DIABETIC CONCLAVE 2023

Dear colleagues and friends,

In connection with the world diabetic day 2023, we are organizing a CME on 14th November 2023 at ACS Auditorium, SUTAMS, Thiruvananthapuram-28, covering various aspects of Diabetes Mellitus. The propensity of Indians to develop diabetes is well known. Eminent personalities will address the participants providing recent update on diabetes management. We cordially invite all of you to be present for the CME and make it a grand success.

Our generous hospitality awaits you at
"Diabetic Conclave-2023"

With warm regards,

Dr. Bhaskar M.K
Organizing Chairperson

Dr. Arun R
Treasurer

Dr. Kajal Seema.S
Organizing Secretary

NB: Poster Competition for MBBS Students by Department of Community Medicine.

Topic: Diabetes "Know your risk" "Know your response"
