VATTAPARA, THIRUVANANTHAPURAM- REGULATION OF TUITION FEE AND
SPECIAL FEE- ORDER ISSUED ON 04.06.2026

PRESENT

READ

- (1) ORDER NO. FRC 50/25/MD/MS/DM/MCH/MBBS/KPMCMA DATED 18.09.2025
- (2) LR.NO. 125/SUTAMS/ACAD/2026 DATED 26.05.2026 FROM THE PRINCIPAL, SUT ACADEMY OF MEDICAL SCIENCES.

ORDER

✍ SUT Academy of Medical Sciences, Vattapara, Thiruvananthapuram is a self-financing medical College having graduate and post graduate courses and, as such, the tuition fee, the special fee etc. have to be regulated by the Fee Regulatory Committee.

2. The exercise of fee regulation in respect of the self-financing medical colleges, barring three colleges, within the State of Kerala was completed for the academic year 2025-26 in the months of August and September 2025 and orders were passed on 18.09.2025.
3. In the discussion held prior to the passing of the above orders, all those colleges expressed their opinion that fee may be regulated in terms of clause 6 of the guidelines issued by the National Medical Commission in its OM issued on 03.02.2022.
4. The above request was granted by the Fee Regulatory Committee and fee was fixed accordingly.
5. In spite of the fact that SUT Academy of Medical Sciences is a member of one of the Associations, it insisted that tuition fees and special fees to be collected from the students of that college may be regulated on the basis of the factors mentioned in Section 11 of Act 15 of 2017. Hence, the

Committee decided to postpone the consideration of the contentions of the SUT to another date. When the matter was taken up for further consideration, Committee found that the Medical College could not produce relevant materials in support of the rate of fees sought to be fixed by them. Though the college was given further opportunity to make available all inputs that would go to justify their claims, the Medical College could not produce the crucial documents. Hence, the exercise of fee regulation was adjourned. In the meantime, the Medical College has submitted Letter No. 125/SUTAMS/ACAD/2026 dated 26.05.2026 requesting that the tuition fee and the special fee of the students of the academic year 2025-26 may be enhanced by 5% and orders may be passed as was done in the case of other self-financing medical colleges.

6. Representative of the Medical College submits that fee regulation for the abovementioned academic year may not brook delay especially for the reason that the students belonging to SC/ST Community and other eligible category of students will be able to pursue their studies by enjoying the

benefit of subsidised rate of fee, e-grants etc only if fee fixed by the college is regulated by an order passed by the Fee Regulatory Committee.

7. Having regard to the facts and circumstances discernible from the materials on record, it is hereby decided that the request for enhancing the tuition fee and special fee of the students including NRI students of MBBS and MD/MS courses for the academic year 2025-26 by granting 5% increase, is just and reasonable. Ordered Accordingly.

8. Increased rates of fee as regulated and fixed are shown in the table below:
